A practice that works Strategies to complement your stand

A Practice that Works represents an anthology of new knowledge in the field, as chapter contributors describe in revealing detail their own innovative techniques. After first describing the idea behind a strategy such as Wilderness Therapy Programs, the editors discuss the logistics of billing issues pertinent to the strategy and provide practical steps to its implementation, follow-through

How Practice Works Practice

Practice offers the power of face-to-face learning without the high price. All your employees need is the Internet and a phone. Surfacing the knowledge within your organization creates targeted content and makes it possible to realize more value from existing training assets. What your employees learn and how learning is assessed links learning objectives to specific business outcomes.
