Critical Theory and the English Teacher Transforming the

In this exploration, Nick Peim, himself a practising English teacher, shows how the insights of discourse theory, psychology of language and deconstruction can be used on the material of modern culture from the news media to advertisements and pop songs, as well as on literature, traditionally defined, and in oral work. Throughout, he writes in a style which even those with no background in critical theory should find approachable, and backs his arguments with practical classroom examples.

Understanding Critical Theory ThoughtCo

Critical theory is a social theory oriented toward critiquing and changing society as a whole, in contrast to traditional theory oriented only to understanding or explaining it. Critical theories aim to dig beneath the surface of social life and uncover the assumptions that keep us from a full and true understanding

of how the world works.
