Stop the presses--the best new Children's book of 2013 is in and it is "The Day the Crayons Quit", no arguments. Hysterical story of a poor, little boy who goes to school to discover numerous handwritten (in crayon of course) aggrieved letters from his crayons. They are pissed off. Some are being used too much (blue) some are not being used at all (white) and some are in disputes with one another (orange vs. yellow).
