Yet, even if recourse to general principles outside the CISG is generally out of the question, an exception has to be made if and to the extent that general basic principles develop or are developed which are internationally coordinated and actually find general acceptance.

[General principles of European Union law - Wikipedia](#)

The general principles of European Union law are general principles of law which are applied by the European Court of Justice and the national courts of the member states when determining the lawfulness of legislative and administrative measures within the European Union.

[General principles legal definition of general principles](#)

After that, as a matter of course and on general principles, she would have it out with Lumai, whose soft voice always was for quiet and repose, and who always, at the end of a tongue-lashing, took himself off to the canoe house for a couple of days.

#### **General Principles of International Law - Judicial Monitor**

International law provides an answer to that question for the resolution of international disputes: general principles of law may be used to fill the void or gap. These may be referred to, as one authority did, as nonconsensual sources of international law.
