Non-Reductive Physicalism and the Mind Problem 3 that the hybrid case, like the Cartesian one, is a form of substance dualism. In either case, minds are not physically kosher.

What's the problem with physicalism in philosophy of mind ...

It seems that physicalism and functionalism in philosophy of mind has fallen out of popularity and into much criticism. I haven't delved too deeply into the literature, but I find it somewhat strange.

Physicalism - Wikipedia

The combination of reductionism and physicalism is usually called reductive physicalism in the philosophy of mind. The opposite view is non-reductive physicalism. Reductive physicalism is the view that mental states are both nothing over and above physical states and reducible to physical states. One version of reductive physicalism is [Physicalism and the Mind | Robert Francescotti | Springer](#)
