### **Differentiating Between Policies Standards Procedures**

Standards, procedures, and guidelines are more departmental in nature and can be handled by your change control process. Try not to mix policy with actual procedure steps which is what we often see. This adds complexity and the intent of the policy can get lost in the details. Your policy might reference a standard that could change more frequently. Policies might not change much from year to year however they still need to be reviewed and tracked on a regular basis.
