Director of National Intelligence James R. Clapper in early January 2017 testified before a Senate committee that Russia's meddling in the 2016 presidential campaign went beyond hacking, and included disinformation and the dissemination of fake news, often promoted on social media.

[Political campaign - Wikipedia](#)

A political campaign is an organized effort which seeks to influence the decision making process within a specific group. In democracies, political campaigns often refer to electoral campaigns, by which representatives are chosen or referendums are decided. In modern politics, the most high-profile political campaigns are focused on general elections and candidates for head of state or head of government, often a president or prime minister.
