### **Influence of Technology on Politics FeedForAll**

Technology appeals to a specific demographic: the affluent, the educated, and the young. And while a YouTube video may not sway the Grandparents in the crowd, the youngest voters are listening. Does technology have the power to change the face of politics? The youth in America are not currently an active voting block, but that younger generation will age, and it's only a matter of time before technology plays a critical role in elections.
