Home - D Programming Language

Support the D language. D is made possible through the hard work and dedication of many volunteers, with the coordination and outreach of the D Language Foundation, a 501(c)(3) non-profit organization. You can help further the development of the D language and help grow our community by supporting the Foundation.

D (programming language) - Wikipedia

D Compiler for .NET A back-end for the D programming language 2.0 compiler. [31] [32] It compiles the code to Common Intermediate Language (CIL) bytecode rather than to machine code. The CIL can then be run via a Common Language Infrastructure (CLR) virtual machine.
