The Gift of Therapy is not an exposition of theory or philosophy it is meant as a high-yield, practical guide to building healing relationships with patients. Yalom has done a service by demystifying the act of engaging with patients about their ultimate concerns in the moments of great life transition that we physicians are privileged to share with them.

Yalom's wisdom passed on through The Gift of Therapy provided heart and soul content to balance out the more academic and scientific learning that I focused on this semester. Yalom's holds a unique approach to psychotherapy that differs from today's trend of evidence based practice and the influence of managed care on therapy today.
