The Moaning of Life: The Worldly Wisdom of Karl
Pilkington ...

I've loved all the Idiot abroad & Moaning of Life series.
They are absolutely brilliant! When I found this book I
couldn't wait to read it! It is as good as the tv programmes
but I can't help but feel a bit disappointed as there isn't
anything extra than on tv. Usually in a book (of anything)
there is more detail.
