The Personality Puzzle Amazon de David C Funder

This is probably one of the most interesting introductory personality books I have read. It is different than the typical book available for a course on the Psychology of Personality. The book (which I have used during the past two years in the university level Psychology of Personality course I teach) provides the student with a provocative blending of research, assessment, and theory. I highly recommend it.

Amazon com The Personality Puzzle Seventh Edition

I am reading Dr. Funder's Personality Puzzle as part of a self designed program to prepare myself for graduate level course work in counseling psychology and my own self development. I have found the text an enjoyable, thorough, interesting, and most of the time, reasonably easy read especially if you have been exposed to a general psychology course.
