[**The Reform of UK Personal Property Security Law | Snaplit**](#)

This major book features the work of international experts on personal property security law. It focuses on the reform of UK company charge law and argues that the Companies Act 2006 did not go far enough in reforming the law. It addresses the question as to whether the UK should follow the lead of other jurisdictions that have adopted US Article 9 type personal property security schemes.

[The Reform of UK Personal Property Security Law \(\)](#)

It addresses the question as to whether the UK should follow the lead of other jurisdictions that have adopted US Article 9 type personal property security schemes. As well as considering current UK law the book also addresses the changes proposed by the Law Commissions and, despite current government inaction, considers whether these reform proposals should be adopted.
