The School for Good and Evil The School for Good and Evil ...

With magic, mayhem, and a unique setting, THE SCHOOL FOR GOOD AND EVIL offers a sweeping tale of friendship and what it really means to be Good or Evil. Though the prose is juvenile, and some of the deeper themes are not properly addressed, this novel provides a fun adventure and opens a rich and immersive world to readers.

The School for Good and Evil, Book 1 - Book Review

As with traditional folktales and fairy tales, The School for Good and Evil contains its fair share of violence. For much of the book, the mayhem is implied rather than shown, and when there is a violent encounter, it tends to be cartoonish rather than realistic.

A World Without Princes by Soman Chainani - Goodreads

The School for Good and Evil had some worrisome themes, but I was hoping they would be cleared up in A World Without Princes. Actually, though, the messages of the series have only gotten more upsetting with time. Though I did still really enjoy listening to the book, and Lee's narration is totally on point, I can no longer ignore the rage-inducing aspects.
