Theories of Deviance - CliffsNotes Study Guides

This theory holds that behaviors are deviant only when society labels them as deviant. As such, conforming members of society, who interpret certain behaviors as deviant and then attach this label to individuals, determine the distinction between deviance and non deviance. Labeling theory questions who applies what label to whom, why they do this, and what happens as a result of this labeling.

Sociology Theories of Deviance and Deviant Behavior

This theory also suggests that most people probably feel some impulse towards deviant behavior at some time, but their attachment to social norms prevents them from actually participating in deviant behavior.
