Trend Commandments: Trading for Exceptional Returns. Michael W. Covel; 9780132695244; Books - Amazon.ca [Amazon.com: Customer reviews: Trend Commandments: Trading ...](#)

Another great book from Mr. Covel. I've read 40-50 books on finance and investment and his books are still the most useful. The Trend Commandments digs deeper into the heart of what makes a truly successful trend trader. His books provide value far in excess to the cost.

### [Trend Commandments: Trading for Exceptional Returns by ...](#)

This is a both a book about the psychology of trading as well as an introduction and defense of the trend following investment strategy. The author does not provide a trading system for trend following in this book. Don't buy the book if you are looking for a new trading system. Buy the book to be entertained and to reinforce your trading psychology.

The concepts condensed into Trend Commandments were gleaned from Michael Covel's 15 years of pulling back the curtain on great trend-following traders. It is a one of a kind money-making experience that forever lays to rest the notion that successful trading is akin to winning the lottery. Winning has a formula, as does losing.
