We The People: An Introduction To American Government by Patterson, Thomas E. "This revision of We the People includes the many remarkable political developments of the past two years, ranging from the 2014 midterm elections to the gridlock in Washington to the rising foreign policy challenges in Eastern Europe, Asia, and the Middle East.

[We The People - Thomas Patterson - Google Books](#) Patterson's We the People has long been a best seller for American government courses due to its insightful, readable, and balanced portrayal of the American political system. The 9th edition continues this tradition of excellence while also introducing a new emphasis on political thinking at a time when the partisan divide seemingly could not be wider and unbiased political information is often drowned out by other sources.
