[What Would Machiavelli Do?: The Ends Justify the Meanness](#)

I know what machiavelli would do!! he would surely NOT recommend this book the author failed to understand Machiavellianism in more than one way.Machiavelli said that if love can do the job then fear is not required, this aspect completely ignored by the author , sadly this book has sensationalism and humor which makes it a BESTSELLER , read "THE PRINCE " by machiavelli to get the real thing and ignore this second rate book.
